

MOVING UP TESTIMONIALS

The Moving Up we ran for Justrite Superstores in Nigeria has the following feedbacks from the participants:

Thanks so much for all your effort so far. I must confess, the training 'Moving Up' has really helped me on how I can be a better leader and a better manager, and also make me more effective and committed at work and home. Keep it up.

AYODEJI OGUNSOLA, FLOOR ATTENDANT, JUSTRITE ABULE EGBA

I have learnt these two things from the MOVING UP workshop:

- 1) How to make myself happier in all conditions regardless of the experience
- (2) To do more in helping and supporting other colleagues to succeed in their customer service always

Best Regards

OLADIMEJI OYEBANJI, AUDIT DEPT, JUSTRITE HEAD OFFICE

Moving Up is about: Change in living, having improvement in whatever skill you have as an employee and doing that EXTRA thing that makes you different from others

KENNETH ANYIEMA, BACKSTORE ATTENDANT, JUSTRITE ABULE EGBA

Moving up taught me the essence of being an outstanding staff by setting goals, and working towards achieving them. It taught me to be proactive and at the same time be patient in dealing with my internal & external customers

MECRY VICTORIA OJO, DATA ENTRY DEPARTMENT, JUSTRITE HEAD OFFICE

The Moving Up program have helped the employees of Justrite in the setting of both personal & organizational goals as well as in overcoming their self-imposed limitations. It has also greatly challenged them in the area of personal growth & professional development contrary to the belief of we Nigerians that you must **be CONNECTED TO MOVE UP**. It was UP for them as witnessed few months after in the **MOVING UP** of some of the participants from Floor supervisors to Assistant Branch Managers and Branch Managers respectively

Furthermore, they have MOVED UP in their working relationships both at work and home.
