

SERVICE QUALITY INSTITUTE

PRODUCT AND SALES TRAINING SEMINAR

May 4-5, 2018 - Minneapolis, Minnesota

Day One - Friday

Session Time: 9:00 AM – 5:00 PM

Dress: Casual

We have several key objectives that are built into these two days. To avoid having the seminar become boring or repetitious, portions of this agenda will be mixed in throughout the two days.

Key Objectives:

1. Help you master and understand SQI's Customer Service Strategy; how our products reinforce the message and how to sell it.
2. Give you enough information on all of our products so you are properly grounded and conceptually understand all products and services.
3. Teach you how to sell our products and services.
4. Help improve your sales skills.

Distributor/Consultant/Representative Training

- A. Service Quality Institute (SQI) Concept and Technology
- B. How to Sell SQI's 3 Year Service Culture Plan
- C. Implementation Methods – What are they? How and when do you use them to make money?
